4. Our responsibility for the purpose of this certificate is to express limited assurance as to whether anything has come to our attention that causes us to believe that the book values as considered in the Statement, in relation to the computation of Security cover, have not been accurately extracted from the unaudited standalone financial information as at and for the period ended 30 September 2024 or that the computation thereof is arithmetically inaccurate.

5. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement; and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. Conclusion

9. Based on our examination and the procedures performed as per paragraph 6 above, evidences obtained, and the information and explanations given to us, along with the representations provided by the management, nothing has come to our attention that causes us to believe that the details included in the Statement with respect to compliance with the financial covenants and the amounts used in the computation of such financial covenants are not in agreement, in all material respects, with the standalone unaudited financial results of the Company, underlying books of account and other relevant records and documents maintained by the Company for the quarter ended 30 September 2024, or that the calculation thereof is arithmetically inaccurate.

Restriction on Use
